
2008/09 Central Catholic Endowment Scholarship

Over the years Central Catholic High School families and friends have generously made distinctive gifts to the school's Endowment Fund in order to provide scholarships for current students who meet the criteria. Often, these are scholarships given in memory of a beloved family member who has passed away.

You will be considered for all scholarships for which you qualify. All eligible students must:

- Demonstrate good citizenship at school and in the community
- Hold and maintain a minimum G.P.A. of 2.0
- Be up-to-date on service hours
- Be an active participant of the Central Catholic community (i.e. student activities, co-curriculars, student fundraiser)

Other requirements/restrictions:

- Many scholarships require some degree of financial need (see parent note below), while others are based solely on merit
- Individual scholarships may have different or additional criteria
- Students who have been suspended or expelled and are currently on probation are not eligible for scholarships
- No late applications will be accepted
- Applications must be neat, legible, and all questions answered, **the committee takes these items into consideration when selecting scholarship recipients.**
