

PRAYER

Faculty, Staff and Students, please stand for prayer. **(Reader, please pause! Wait for the everyone to stand in their classrooms)** Let us remember we are in the holy presence of God. **Let us begin in the Name of the Father, the Son and the Holy Spirit.** Christ, Teacher and Lord, bless all in this school as we seek to end our year with the grace you so generously provide. We give thanks for the students and the faculty, the staff, and all who have contributed to this year of nurturing and growth. We pray in gratitude for all the positive moments, of insight, of the excitement of learning, of accomplishment, of creativity, of laughter, of a sense of community. We recognize the times of struggle, of difficult work, of misunderstanding, even of failure. We give these to you for transformation, so they can become seeds that will find fertile soil. As we leave for the summer, may we take with us the knowledge that you will keep us all in your embrace so we may rest and be restored and continue in the ongoing discovery of your Love. In gratitude we pray. Amen. **In the Name of the Father, the Son and the Holy Spirit, Amen.**
