

PRAYER

Faculty, Staff and Students, please stand for prayer. **(Reader, please pause! Wait for the everyone to stand in their classrooms)** Let us remember we are in the holy presence of God. **Let us begin in the Name of the Father, the Son and the Holy Spirit.** Gracious God, We gather as a community open to your word and your works. In the months ahead, during our time of seeking and learning together, mold, shape, and transform us. Give us a mind that engages with your word and seeks to understand your truth in this complex world. Give us ears to be attentive to your voice in the world and to hear what we have not heard before. Give us eyes to see you in all of your children on this earth and to see our world from new perspectives. Give us a willing heart to be open to others and to nurture deep solidarity with the human community. Amen. **In the Name of the Father, the Son and the Holy Spirit, Amen.**
