## **II. CAMPUS MINISTRY**

---

Campus Ministry is a ministry centered in Christ and grounded in Catholic tradition that is integrated into all areas of the Central Catholic community to develop people of faith, compassion, and justice.

Campus Ministry is an organized and integrated effort on the part of the school to proclaim the good news of Jesus Christ, to build up the Body of Christ in the community, and to promote Christian service.

Campus Ministry draws the entire community into responsible participation in the life, mission, and work of the Church. To accomplish these goals, Campus Ministry offers liturgies, retreats, and Christian Service opportunities.

### **2-1 Liturgies**

Prayer, both individual and communal, is at the center of our Catholic faith. The Central Catholic community gathers together for prayer on a regular basis. We come together as a school community approximately once a month to celebrate the Eucharist and other forms of liturgy. Every semester, each class gathers together to celebrate a class liturgy. The school chapel is open during the day for students to spend quiet time in prayer, and for a daily morning liturgy. Parents and friends are always welcome at any of the school liturgies.

The Sacrament of Reconciliation is offered during Advent and Lent, as well as upon individual request throughout the year. The Chapel of Christ the King is open for Adoration of the Blessed Sacrament during Holy Week.

## **2-2 Retreat Program**

Central Catholic offers multiple retreat experiences. Retreat leaders create an atmosphere of comfort, trust, and sharing so that students can explore issues of Christian identity, Christian relationships, Christian values, and Christian reconciliation. The goal is to provide an opportunity for students to listen and respond to the promptings of God's spirit in their lives and the life of the community.

Central Catholic requires all freshmen and sophomores to attend a one day retreat. Juniors are encouraged to attend a weekend retreat entitled Search. Seniors may choose to attend an optional retreat held in the spring.

## **2-3 Christian Service**

The Christian Service Program is designed to help develop the students of Central Catholic High School into a people of compassion and knowledge, people committed to justice, and a people for others. Through Christian service, students become aware of their responsibility to stand in solidarity with others. The development of community, both within and outside Central Catholic, is a vital goal of the Christian Service Program and Central Catholic High School.

All service performed for Central Catholic service credit must:

1. Benefit those who survive in the least often considered communities of our society.
2. Benefit a nonprofit group or organization\* that is in keeping with the values of the Catholic Church.
3. Be completed outside of classroom hours.
4. Not be affiliated directly or indirectly with any political campaigns or groups.

\*Before working directly with a marginalized population within a for-profit organization, students must seek pre-approval from the Director of Christian Service.

Christian Service requirements must be completed by the corresponding semester due date(s). Incomplete service will require a student to complete a Service Completion Plan (SCP) in collaboration with the Christian Service Office. If an SCP is not completed within the same week as the semester due date, the student will forfeit their eligibility to participate in any school sponsored co-curricular activity (i.e., athletics, theatre, clubs, etc.) effective the following. ## III. COUNSELING

---

The Counseling Department offers a wide range of guidance and counseling services: academic, college, and personal. The counselors work as a team to address students' needs. Students are assigned a personal counselor alphabetically by their last name. The college counselor works with second semester juniors and seniors. To develop an ongoing relationship between student and counselor as well as provide consistent support to the student, students remain with the same counselor throughout their time at Central Catholic. Students may set up an appointment to meet with their counselor at any time by filling out a request form, which are located outside each counselor's office. Similarly, teachers and parent(s) or guardian(s) can initiate referrals by contacting the counselor.

Student whose last names begin with the following letters are assigned to the following counselors:

|          |                 |
|----------|-----------------|
| A-F:     | Megan Bruce     |

Examples, as provided by Oregon State Law are:

- I. Duty to report any behavior, suspicions, or student reports of physical abuse, sexual abuse, emotional abuse, abandonment, or neglect to the appropriate agency;
- II. Reporting information to persons outside the school when a student indicates that a crime involving the likelihood of significant personal injury or significant property loss will be or has been committed;
- III. Reporting to one or more specific persons or agencies after a written release of information form has been signed by the student and parent(s) or guardian(s) and kept on file;
- IV. Disclosing information deemed to be confidential when ordered to do so by a court of law.

### 3-2 Disciplinary Information to Colleges

Central Catholic High School has a responsibility to honestly represent students in their letters of recommendation to colleges. In accordance with *The Statement of Principles of Good Practice of the National Association for College Admission Counseling*, Central Catholic is expected to report any significant change in a candidate's academic status, personal conduct, or qualifications that occur between the time of recommendation and graduation and if requested by an institution's application.

---

Central Catholic believes in the fundamental importance of academics, offering a curriculum that recognizes the uniqueness of each student. Central Catholic places an emphasis on college preparatory subjects in an environment that fosters academic excellence by nurturing reflective analysis and creative expression.

Academic objectives in a college preparatory school depend heavily on work performed at school and at home. Homework for the Central Catholic student is not limited solely to written work; it also includes reading, studying, organizing notes into usable study form, and preparing for exams, projects, reports, or presentations. Students will generally require thirty minutes per class outside of classroom time for homework.

All students must be fulltime students at Central Catholic and must take a minimum of six classes each semester. To graduate from Central Catholic, a student must earn 26 credits.

Students are required to be enrolled in a minimum of six credit classes each semester. Students will need to enroll in more than six classes for two years in order to meet the graduation requirement. Students may not be enrolled in more than one of the following per semester: office aide, teacher assistant, or study hall.

The minimum standards for many four year college acceptances are: four years of English, three years of social studies, three years of mathematics through Algebra II, two years of a laboratory science, and two years of the same world language.

### Advanced Placement Classes (AP)

All AP courses follow a college-level curriculum prescribed by the College Board. Since these courses move at an accelerated pace that is demanding and will require additional hours of study, Central Catholic recommends that students not enroll in more than two AP courses at one time. Advanced Placement classes culminate in a national exam given by the College Board. Scores on the exam may qualify students for college credit or advanced standing as determined by the colleges. All AP students are strongly encouraged to take the AP exam. There is an additional fee for each AP exam. Students will be awarded a greater weighting in the GPA based on the increased expectation of these courses

### 4-3 Homework

Academic objectives in a college preparatory school depend heavily on work performed at school and at home. Homework for the Central Catholic student is not limited solely to written work; it also includes reading, study and preparation for exams, projects, reports, presentations, etc. In general, students should expect 30 minutes of homework per class outside of classroom time. A minimum of two hours of homework can be expected each

evening. Homework is expected to be neat and completed in accordance with the directions given by the teacher.

Classroom and homework assignments are the responsibility of the student. Students should contact their teachers and check Canvas regarding missed homework and tests, and should expect to turn in the homework or take the test during the next class meeting. In extreme circumstances, such as hospitalization or long term illness of more than one week, the attendance associate will aid students in gathering information relative to missed work. In these cases, homework and tests must be made up within two weeks of the student's return to school. Each teacher decides the relative weight homework has for the final semester grade.

Late work due to an unapproved absence will not receive full credit.

### **Plagiarism Prevention**

Central Catholic High School uses the web service of [turnitin.com](http://turnitin.com) to allow teachers and students to check students' work for improper citation or potential plagiarism by comparing electronically submitted student work against continuously updated databases.

### **4-4 Grades and Report Cards**

Grades are used as a means for measuring and reporting progress and achievement. Grades aid students in determining their individual strengths and weaknesses; they may also be incentives for greater academic growth. Academic grades are not directly dependent on behavior and are never lowered for disciplinary reasons.

### **Grading System**

Letter grades are assigned at Central Catholic according to the following scale:

|           |                                 |

### Honors Points

Honors Points are awarded for honors and Advanced Placement (AP) courses. These accelerated classes are designed for self motivated students and cover a greater depth and breadth of material than regular level classes. Students should expect more homework in these courses and will be awarded a greater weighting in their GPA based on the increased expectations.

### Physical Education Participation

Due to the participation nature of the class, students are required to make up missed class time. Students who are unable to participate due to medical reasons are expected to provide a note from their doctor to the Assistant Principal of Academics. Depending on the nature and length of the condition, an alternative activity may be determined in consultation with the instructor or the course may be dropped to complete during another semester. In certain circumstances a waiver may be issued.

### Grade Point Average

A student's grade point average (GPA) is determined by dividing the total grade points earned by the number of credited courses carried for a given academic semester. Semester grades and GPA will be rounded up to the nearest 10<sup>th</sup> percent (Example: 87.45 rounded to 87.5).

### Grade Reports

All work completed during the semester counts toward the final semester grade. There are two school wide progress reporting periods during each semester at six (6) weeks and twelve (12) weeks. Progress reports will be emailed and current grades can also be viewed on Canvas. A permanent semester grade is issued for the fall and spring semesters (18 weeks). Semester grades can be viewed on Canvas and an email notification will be also be sent to parent(s) or guardian(s). Semester final exam grades will be on the semester report card but will not be included on a student's transcript

### Incomplete (I) Grades

An Incomplete is awarded when a student has not fulfilled course requirements for some unusual reason (e.g., personal illness). In such cases, the student is expected to complete the requirements within two weeks of the date that the Incomplete was awarded. An Incomplete becomes a failing

grade if the work and tests are not completed within the prescribed time unless special arrangements are made with the Assistant Principal of Academics and the teacher involved.

### **D Grades**

D grades in core courses may have a negative impact on college admission requirements for Oregon Public University (OPU), even though a D grade is a passing grade for Central Catholic. Be advised that colleges have different requirements and you are encouraged to be in communication with those colleges you are interested in attending.

If a student receives a D grade in a class needed for advancement or to meet the OPU requirement, the class may be repeated at Central Catholic or, with prior approval from the Assistant Principal of Academics, the course may be taken from another approved institution. In this case only, will online courses be considered for approval. The class will be noted on the transcript, but will have no impact on GPA or credits.

### **Credit Retrieval**

A student who fails a required course must establish a plan with the Assistant Principal of Academics to retake the class before the start of the next school year. The student's counselor is available to help with this process. Depending on the course and situation, the student may repeat the class at Central Catholic or with the Assistant Principal's prior approval may take an approved evening school or summer school class. In the case of credit retrieval, the original F grade will remain on the transcript and will be factored into the GPA along with the grade from the class that was repeated. It is the student's responsibility to provide the school with an official transcript of all makeup work.

### **Credits for College Courses**

Occasionally students will take college courses while enrolled at Central Catholic. Students need prior approval from the Assistant Principal of Academics. Credit will not be given on the Central Catholic transcript except in the case of credit retrieval. In this instance, a college level course of three or more quarter credits will be equivalent to a semester course (.5 credit) at the high school level.

### **Grade Changes**

Semester grades are recorded on the student's permanent transcript. Any potential change of a semester grade must occur within one year of the time the grade was issued. Grade changes must be verified in writing by the teacher involved and approved by the Assistant Principal of Academics.

### **4-5 Semester Assessment**

An assessment of student learning will occur at the end of each semester in each class. This assessment, in many cases will take the form of a final exam, but other assessment practices, based on the decision of the teacher, will be utilized as well. Through this process, students learn how to study, apply knowledge, develop critical thinking skills, and take examinations in preparation for college. Final exams also provide a culminating learning experience. At the end of each semester, three to four days are allocated for this assessment. Students attend 90 minute assessment sessions in each of

their classes with no more than three tests on a given day. Students who are teacher aides or have a scheduled study hall do not need to come to school during those periods.

### **Final Exam Policy**

Students must take their semester final exams during the regularly scheduled time. The exam dates are listed on the school calendar and posted on the Central Catholic website. Semester final exams will not be administered prior to the scheduled exam date and time. Seniors take their second semester final exams in class prior to graduation. If a student has an unavoidable conflict for a serious reason other than illness, a \$20 makeup exam fee will be charged per class that is scheduled for a later testing date. Teachers do not have the authority to change final exam times. Any student who requests an exception to this policy needs to contact the Assistant Principal of Academics.

### **4-6 Graduation**

Participation in the end of the year senior events, particularly commencement, is a privilege that must be earned by the student. Therefore, in order to participate in the Baccalaureate Mass and commencement, a student must have earned the academic credits necessary to graduate, be in good standing with the business office, the library, and the Dean of Students regarding behavior and attendance, and must have completed the Christian Service requirement. Students who have not met these requirements for graduation will not be permitted to participate in the end of the year senior events.

Students who have failed to meet academic requirements for graduation may petition in writing the Assistant Principal of Academics to participate in senior activities. Students who have failed to meet Christian Service requirements may petition in writing to the Director of Campus Ministry in order to participate in senior activities.

### **4-7 Student Support Services**

Student Support Services has been developed to support students' success. These services are designed to help those students with learning challenges succeed within the regular high school experience.

### **4-8 Academic Assistance**

A student will be placed on Academic Assistance if she or he earns less than a 1.8 GPA or two F grades during any semester grading period.

A student on Academic Assistance:

- I. Is ineligible to participate in co-curricular activities.
- II. Must attend a staffing with parents, counselor, teachers, and the Assistant Principal of Academics to define a plan of assistance and expectations.
- III. Is asked to select a teacher mentor to help monitor the student's progress as well as provide encouragement and support.
- IV. Is required to complete a biweekly Grade in Progress Form (GIP) to aid the family in their communication with teachers about their student's progress. Dates for the GIP will be assigned from the Assistant Principal of Academic's office. Failure to turn in the GIP in a timely fashion will result in at least one half hour of detention.

- V. Is required to attend After School Study Hall a minimum of three days a week.

At the end of the semester of Academic Assistance, the student will either be removed from assistance if she or he meets a 1.8 GPA with no more than one F grade, or be dismissed from Central Catholic High School with an opportunity to appeal. If a student at a later date qualifies for Academic Assistance, he/she will be dismissed with an opportunity to appeal.

Any student who earns three (3) or more F grades in one semester will be dismissed with an opportunity for appeal for re-admittance. If a student is on Academic Assistance for two semesters and fails to meet the grading criteria for a third semester, the student will be dismissed with no opportunity to appeal.

A student whose GPA falls below 1.8 or has two F grades during any grading period and who has a Learning Plan will go before the Student Support Team for academic review. The Student Support Team will determine the appropriate plan.

#### **Academic Appeal Board**

The Academic Appeal Board is composed of the Assistant Principal of Academics, Dean of Students, a counselor, and two faculty and staff as assigned. The committee will convene as necessary and rule on issues related to academic dismissal of students. The decision of the committee is presented to the principal for final approval.

#### **Early Intervention at Progress Report Grading Periods**

As an intervention before Academic Assistance, students who have two F grades or any combination of four D grades and/or F grades for the six (6) or twelve (12) Week Progress Report grading period will be required to attend After School Study Hall three days a week until the end of the semester. If this creates a hardship, the parents, student, and counselor may create a plan that provides a suitable intervention.

After School Study Hall is offered Monday through Thursday from 2:40 – 3:40 P.M. Students may use the time to study and review in a quiet environment, utilize the help of student tutors or see teachers for assistance.

#### **Grade In Progress (GIP)**

The GIP is a form used to create communication among parents, teachers, and the student on a biweekly basis. This resource may be requested or mandated. It is the student's responsibility to obtain a GIP form located outside the counselors' offices or the main office and check in with each teacher, take the form home to be reviewed and signed by a parent or guardian, then returned to the main office by the deadline. A GIP return schedule is developed yearly by the Assistant Principal of Academics.

#### **Mentor Teachers**

Students who have been dismissed from Central Catholic and are readmitted through the appeal process select a mentor teacher. The mentor teacher checks in regularly with the student and provides both academic and personal support to help the student be successful.

## **4-9 Scheduling and Schedule Changes**

Because each person is unique and has special needs in preparing for college and life, Central Catholic High School provides a variety of curricular options. Each spring, students forecast classes for the next year. Because staffing and course offerings are based on the numbers generated by this process, students and parents are expected to put serious thought into forecasting. Only changes that are needed to place the student at the appropriate level will be made after the forecasting process is completed. Students are encouraged to talk to parents and teachers regarding possible course selections. Time will be provided for students to meet with counselors and to complete the worksheet. This will be referred to when discussing any future schedule changes. The forecast worksheet will be used as the official communication to Central Catholic about each student's curricular needs.

Schedule changes are not permitted. Students must choose their courses wisely. The only exception to this policy is to accommodate placement in the accurate level of a class. In this case, the change can only occur if there is space in the new class. There are no schedule changes in the second semester except to drop a course and take a study hall. There will be no schedule changes based on teacher preference. To change a schedule, a student must:

- I. Obtain a Schedule Change Form from their counselor.
- II. Obtain signatures of the teachers involved in the change.
- III. Obtain parent or guardian signature as an indication of approval.
- IV. Obtain the Assistant Principal of Academics signature.
- V. File the Schedule Change Form with the counselor for approval and signature.

A schedule change is not effective until the Assistant Principal of Academics and the counselor have approved the request and the student receives their new schedule.

### **Scheduling Process**

Students are encouraged to talk to teachers and their counselor to gain an understanding of the courses available, their ability to handle the course work, and their standing in relation to graduation requirements. Students and parents should discuss future goals and the classes they think would be most beneficial in meeting these goals. Student worksheets, with a parent signature, must be turned in by the designated return date. Counselors will give presentations in class with detailed instructions. Students who submit forecasting late will jeopardize their chance to receive their first choice course requests. Students and parents should make sure that the courses selected are appropriate and meet the student's particular curricular needs.

If an insufficient number of students forecast for an elective course, the course will be dropped. In this case and when classes are full, counselors will look to the alternate courses on the forecasting sheet to complete a student's schedule.

### **Drop Withdrawal Policy**

No new courses can be added after the first week of classes in the first or second semester. However, dropping a class to take a study hall or level changes can occur up to six (6) weeks in the first semester, but only through

the third week in the second semester as long as the student still meets the six (6) class minimum requirement. Students must complete a schedule change form for all schedule changes. The student will obtain the appropriate signatures of teacher, counselor, and parents; and return the completed form to the counselor before new classes can be attended. After the first week of the semester, a grade of WP (Withdrawal Pass) or WF (Withdrawal Fail) will be placed on the transcript when a student withdraws from a class.

#### **4-10 Standardized Testing**

All sophomores and juniors participate in National Testing Day in October. Freshman will be participating in their Freshman Retreat on National Testing Day. Test results are reviewed with students and will be kept in the student's academic file. The tests administered are as follows:

##### **Sophomores**

All sophomores take the PreACT test. The PreACT is designed to measure skills in four curriculum areas: English, Mathematics, Reading, and Science Reasoning. This test can provide an early indication of the student's educational progress in view of the educational and career options he or she is considering after high school. PreACT results are returned in the Wellness II class and used for career exploration purposes and forecasting. Results may also be used by students to prepare for the ACT (taken in the spring of their junior year). For students who would like to take the PSAT for practice in the spring, arrangements can be made with their local high school or Central Catholic High School.

##### **Juniors**

All juniors take the PSAT. Test results are returned to students in their English class and may be used to help prepare for the SAT. Counselors use the testing results from previous years to develop a post secondary plan for each student. Students are encouraged to take the SAT and/or ACT in the spring of their junior year. Registration materials are available from the college counselor. In the second semester, students begin working with the college counselor.

##### **Seniors**

Seniors register to take the SAT I/II or ACT as needed. They are not required to be at school on National Testing Day and are encouraged to visit a college campus on this day.

#### **4-11 Communication**

##### **Canvas**

Canvas is a learning management system that simplifies teaching and learning by connecting all the digital tools teachers use in one location. Students and parent(s) or guardian(s) may view grades and assignments as well as communicate with faculty. In addition, Canvas is used as our primary communication tool for all school events such as Christian Service, counseling resources, and club activities. Canvas may be accessed from the Central Catholic website, <https://cchs.instructure.com/login/canvas>. There is also an app available (Canvas by Instructure) for mobile devices.

### **Parent Teacher Conferences**

Parent teacher conferences are an opportunity for parents to check in with teachers. Formal conferences are held in an arena format in both gyms twice a year: one evening for conferences is scheduled in the fall and one evening in the spring. Teachers are available on a first come first served basis and should last no longer than five minutes. Students are welcome to attend the conference with their parents. Parents are encouraged to arrange a meeting to confer with teachers for a more in depth discussion of student progress. Parents may contact teachers at any time regarding concerns.

### **Policy for Addressing Student and Parent Concerns**

It is important for students to learn how to advocate for themselves in an appropriate manner and to deal with issues at the appropriate level. It is also important that the faculty, staff, and administrators at Central Catholic High School listen to student and parent concerns with attention and respect. If your son or daughter comes home from school with a concern about something that has occurred in a class or a co-curricular program, please follow the steps below:

- I. Listen carefully to what your son or daughter has to say.
- II. Bearing in mind that there are two sides to every story, ask the student to view the problem from the other person's point of view.  
Ask questions such as:
  - a. Does this seem to be a onetime problem or has it been building up?
  - b. Will a cooling down period or night's sleep change your perspective?
- III. Ask your student to brainstorm ways to deal with the issue. Try not to tell them what to do. If the concern involves difficulty in understanding material in a class, have the student:
  - a. Set up a time to talk to the teacher to get more help. Teachers at Central Catholic High School are willing to meet with students outside class and are the people most able to help.
  - b. Ask the student to contact a "study buddy" to see if a friend's explanation can clarify the material.
  - c. If more help is needed, have your student see their counselor, who will work with the student on time management and study techniques, or arrange for NHS tutors. In addition, counselors may suggest effective ways for students to get help from teachers.
  - d. After talking to the teacher and counselor, if the student still feels that the issue has not been resolved or received the needed help, the student should see the Assistant Principal of Academics.

If your son or daughter experiences a conflict with another student or an adult in charge of a co-curricular program, the process is similar.

- I. Have the student set up a time to talk to the other person. In most instances, an honest conversation will clear up misunderstandings or heal hurt feelings.
- II. If the student needs guidance or strategies for conflict resolution, have your son or daughter contact their counselor.

- III. If students feel they have exhausted all other avenues towards resolution, have them talk with a Vice Principal, Activities Director, or Athletic Director as appropriate.

As a parent, if you have a question for a teacher or program director, please contact that person:

- I. Speak to the teacher or other adult directly, either on the phone, by email, or face to face. You may leave a message for any teacher or program director via Central Catholic's voicemail system. Email addresses and telephone extensions are listed on the website, [www.centralcatholichigh.org](http://www.centralcatholichigh.org).
- II. If, after talking to a teacher, you feel the issue is still not resolved, call or email the appropriate administrator.

Our experience demonstrates that the steps outlined above are the most effective, meaningful way to address the concerns which inevitably arise in school. Most of the time, bringing your question to the person(s) directly involved will lead to the answers or increased understanding.

#### **4-12 Student Records**

Central Catholic High School abides by the provisions of the Buckley Amendment. Noncustodial parents will be given access to the academic records and to information regarding academic progress of their children, unless there is a court order specifically stating that the noncustodial parent is denied access to such information.

#### **Transcripts**

Transcripts are permanent records of all courses taken and semester grades earned while a student is at Central Catholic. This record is maintained by the registrar and represents the school's record of each student's academic performance. Student rank will not be listed on the transcript. Students must request to have official transcripts sent to colleges or universities. There is no charge for the first two transcripts. Unofficial copies are also available upon request.

#### **4-13 Academic Honors and Awards**

##### **Honor Roll and Academic Awards**

Central Catholic's Academic Honor Roll is comprised of those students who earn a grade point average of 3.80 or higher. Each student who qualifies for honor roll after the first or second semester will be honored with a certificate. Students who earn a 3.8 or higher for both semesters will be invited to an Academic Awards Night in the fall of the following school year. Seniors will be recognized at the Senior Awards assembly prior to graduation.

##### **Valedictorian and Salutatorian**

The graduating senior with the highest cumulative grade point average at the end of the seventh semester is honored as the valedictorian of the class. The graduating senior with the second highest cumulative grade point average at the end of the seventh semester is the salutatorian of the class.

If not authorized by the teacher, phones should be turned off (not placed on silent or vibrate mode) and put away. If a student has their cell phone out or is found using a cell phone without the permission of the teacher, it will be confiscated and the student will receive detention. Additional offenses will result in disciplinary action.

Due to concerns about privacy, the camera and video function is not to be used on school grounds without permission. Students using the camera function during exams or quizzes will be subject to an integrity violation. (See Section 7-7)

Additionally, Central Catholic will post information through local media via FlashNews Alert. Families may register for school closure emails by accessing a link on the Central Catholic website. A separate announcement will be issued for Central Catholic; the school does not follow Portland Public Schools.

### **5-27 School Hours**

Lockers, desks, and any other storage areas at the school remain in the possession and control of the school even though they are made available or assigned for student use.

To protect the health and safety of persons and property in the school, students may not keep the following items on their persons or in their lockers: firearms, knives or other weapons, explosives, poisons, drugs, alcohol, or any materials or devices which might endanger the physical safety of persons or property. The school has designated the following as directory information which the school may disclose without specific consent: the student's name, address, telephone listing, photograph, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received, and the most recent previous educational agency or institution attended.

A parent or guardian may elect not to have any or all of these items included in a school related directory. ### **5-31 Student Guests**

Guests are allowed only when they are prospective students seriously considering attending Central Catholic. Arrangements for prospective students to visit must be made by the visiting student's parent or guardian with the Director of Admissions at least two school days before the visit. Students assigned to a study hall are expected to maintain a quiet atmosphere conducive to study and concentration. Library passes may be used by those needing to use the library, writing lab, and computer facilities, but the student is expected to remain in that area during the entire period. Absence from the appropriate study area will be considered an unexcused absence from class.

### **5-35 Teaching Assistants (TA's)**

Teaching assistants are expected to stay with their assigned teachers for the entire class period unless prearranged.

### **5-36 Transportation**

#### **Parking Permits**

Students who drive to school must at all times display a parking permit on their vehicle's rearview mirror and park in designated areas. Any vehicle a student may drive to school needs to be registered with Central Catholic through the attendance office. Parking permits will be issued and prioritized as stated in the traffic and parking management plan. Students who have not registered their car will receive one hour of detention each day until their vehicle is registered.

#### **Student Parking Policies**

Central Catholic is a member of the Buckman Neighborhood Association. As good neighbors, Central Catholic students, friends, and families are urged to respect the parking needs of neighborhood residents. Specified parking areas are reserved for faculty, visitors, student drop off and pickup, and residential use. Students may park only in designated areas (see parking map). Seniors who leave at lunch must adhere to all parking policies. Parking in crosswalks or blocking driveways is not permitted.

The parking lot on the corner of 24<sup>th</sup> and Stark Street is a day time (7:00 AM to 3:30 PM) car pool parking lot. The administration will distribute parking tags to those who qualify and parking spots will be given on a first come, first park basis. Due to limited space, this parking lot will not be used for pick up or drop off between 7:00 AM and 3:30 PM.

#### **Parent Parking**

Parents visiting the school, dropping off, or picking up students should observe and obey the NO PARKING and limited time parking signs around the school.

### Van and Bus Travel

Students are expected to display good conduct and respect toward the driver and riders of buses and vans. Any disrespect will merit disciplinary action.

### Driver Expectations

Students are expected to drive safely and attentively. Students who violate the school vehicle registration, driving, or parking policies will be subject to afterschool detention or suspension.

### Parking Map

### 5-37 Vandalism

Students and their parent(s) or guardian(s) shall be liable for all damage to school equipment or property.

### 5-38 Volunteers

All volunteers working with or around students are subject to background checks once every three years and must comply with all applicable Archdiocesan requirements including but not limited to Called to Protect training.

### 5-39 Withdrawal of Family and/or Student

Extreme situations, for example, intimidation of school employees, interference with the effectiveness of the school, or impeding school operations, may result in asking a family to withdraw from Central Catholic.

At the end of each school year, the administration may assess some students continued attendance at Central Catholic. Students who have been suspended, placed on probation, or placed on review status will be evaluated. Information gathered from teachers, coaches, the Dean of Students, and the school counselor will be used to make a comprehensive decision on the students return to Central Catholic. If it is determined that a student does not meet the school's expectations, the student will not be invited back to Central Catholic for the following year and withdrawal proceedings will be initiated.

## VI. ATTENDANCE POLICIES

---

Central Catholic will determine whether an absence is approved or unapproved.

### 6-1 Approved Absences

- I. Illness
  - a. **Parents are required to contact the Attendance Associate, at 503-235-3138 ext. 107, by 9:30 A.M. if a student will be absent for any reason.** The school's voice mail service operates 24 hours a day. If the parent does not call, the absence will be considered unapproved.
  - b. Upon returning to school after an illness absence, the student is to present to the attendance office a dated, written note, signed by a parent or guardian, stating the dates absent and the reason for the absence. This note is required for attendance files and as a follow up to the telephone conversation.
  - c. Students who become ill during the school day must report to the Dean of Students or attendance office to obtain permission to go home. Missed tests or quizzes must be made up by the end of the next class meeting. Homework must be completed by the next class meeting.
  - d. Students who arrive for part of the school day are responsible for completing any missed tests, quizzes, or homework assignments that same day.
- II. Doctor, Dental, and Medical Appointments
  - a. Doctor, dentist, and other medical appointments should be scheduled at a time that minimizes the impact on class time. Parents who request that students be excused from school for medical appointments must do so in writing. The attendance office will issue a pass that allows the student to leave class. This pass should be signed and returned to the attendance office when the student returns to school.
  - b. Students returning from medical appointments must present a note from the medical office confirming the appointment. Students who are absent and do not present a medical note, will not be allowed to participate in co-curricular activities that day.

### 6-2 Preapproved Absences

Requests to be excused from school for reasons other than illness should be made one week prior to the day of absence.

### **Absence Request**

Parents can request an approved absence form from the attendance office or main office. **This completed form is to be submitted to a Dean of Students prior to the date(s) of the absence.** If the form is not completed and handed in prior to absence, detention will be given. If the student is not in class on the return date, that absence will not be approved. The student is responsible for all work missed, including tests. Homework and tests should be completed prior to the excused absence unless other arrangements have been made with the teacher.

- I. Students who miss school for a school related activity must have the appropriate permission forms signed by their parents, all of their teachers, their counselor, and the Dean of Students. The Dean of Students will make final decisions on whether a student may be excused from school for a given activity.
- II. **College Campus Visits:** Students are encouraged to use school vacations and weekends to visit the campuses of colleges they are considering attending. When this is not possible, students are allowed to miss up to three school days to make college visits providing they secure permission by completing the Notification of Approved Absence Form (with the College Counselors' signature) at least one week in advance.

### **6-3 Check in and Checkout Procedure**

The school day begins when the student enters the building. Whenever a student leaves the building during the school day for any reason, she or he must sign out at the attendance office. Upon returning to school, the student must sign in.

### **6-4 Extended Absence Due to Illness or Emergency Situation**

Students who miss school due to an illness or emergency situation need to make arrangements with each teacher regarding make up work and tests. For each day missed, the student will have two school days to make up the work.

### **6-5 Absences and After School Activities**

If a student misses the entire school day because of illness or unapproved absence, she/he may not participate in or attend any school function that afternoon or evening. Such participation will warrant that the daytime absence be classified as unapproved. Such participation will also warrant that the student be temporarily excluded from participation and attendance at future events.

Students need to be in attendance the entire school day in order to attend or participate in a school function that afternoon or evening.

If a student becomes ill and leaves school during the school day, she or he may not participate in or attend a school function that afternoon or evening. Such participation will warrant that the daytime absence be classified as unapproved. Such participation will also warrant that the student be temporarily excluded from participation and attendance at future events.

## 6-6 Excessive Absences

Central Catholic High School believes that attendance plays a major part in the overall education of our students. Based on this philosophy, the following guidelines and policies have been set:

- I. Students who are absent from class five (5) times in a semester will receive a warning.
- II. **Students who are absent from class eight (8) times** in a semester will be placed on attendance probation.

## 6-7 Unapproved Absences

Unapproved absence from class will have the following consequences:

- I. Teacher and parent will be notified; student will serve 80 minutes detention per class missed on Cardinal and Gold Days and 45 minutes detention per class missed on "A Days".
- II. If there is an additional unapproved absence, student will be placed on discipline probation.

Assignments and tests missed due to an unapproved absence cannot be made up.

Attendance at final exams is mandatory and must be taken at the assigned time. A student who is absent for an exam and has not followed the attendance policy and procedure for a regular daily absence will be considered unexcused from her or his exam and will not be able to make up the exam. The student will receive a zero for the exam. **Exams will not be administered early.**

## 6-8 Tardiness

Students are to be inside their respective classrooms or locker rooms when the bell rings for class to begin. Those who arrive late for class must obtain an admittance slip from the attendance office.

Tardies will be considered approved only for good reasons accompanied by a written note from parents. A student is only allowed five (5) parental approved tardies a semester. After five (5) approved tardies all other tardies will be considered unapproved. Only the Dean of Students or the attendance office can approve tardies.

Automatic detention accompanies unapproved tardies. The amount of time a student is tardy in a semester, as well as the accumulated number of tardies, will determine the amount of time to be spent in detention. Discipline measures for unapproved tardies are as follows:

| <u>TARDY #</u> | <u>DETENTION TIME/SANCTION</u>            |
|----------------|-------------------------------------------|
| 1              | Warning                                   |
| 2              | 30 minute detention                       |
| 3              | 30 minute detention                       |
| 4              | 60 minute detention                       |
| 5              | 60 minute detention, conference with Dean |
| 6              | 2 hours detention, parent conference      |
| 7+             | Attendance Contract                       |

If half of a class period is missed, the tardy is considered an absence.

### **6-9 Off Campus Policy**

Once students have arrived at school, they may not leave the premises during the school day without a signed pass slip from the Dean of Students, attendance office, or other administrator. Violators are subject to disciplinary action.

Seniors with parental permission may leave school at lunchtime. Seniors must submit a signed permission form from their parents at the beginning of the academic year. Central Catholic reserves the right to revoke off campus privileges at its discretion.

Students who leave the premises must obtain their pass slip at the attendance office and sign out. Students must present their pass to the front entrance monitor before they leave and are to check in the attendance office upon returning to school.

## **VII. BEHAVIOR POLICIES**

---

### **7-1 Student Expectations and Responsibilities**

Central Catholic High School is committed to helping its students achieve their potential academically, physically, socially, and spiritually. In order to achieve this goal, Central Catholic believes a disciplined and structured atmosphere is necessary. The purpose of discipline is to maintain a safe, honest, and caring environment where students can reach their potential. When a family enrolls their child at Central Catholic, it is expected that they are committed to and supportive of our behavior philosophy.

In order to promote self discipline within each Central Catholic student, the following is a list of student expectations and responsibilities for which each will be held accountable at school and at any school function:

- I. Treat adults and peers with courtesy and respect.

## 7-2 Consequences for Noncompliance

Students who do not comply with school rules and policies are subject to school discipline. Violations of school rules are listed in two categories, minor infractions and major infractions, according to the seriousness of the offense. Not all infractions can be included in this document. Administration will determine appropriate consequences for behavior not addressed below.

## 7-3 Minor Infractions

The following offenses will result in detention. Repeated offenses will result in probation or suspension.

- I. Misconduct: disruption or noncompliance of behavioral expectations.
- II. Use of profanity.
- III. Inappropriate displays of affection.
- IV. Unapproved absences or tardies.
- V. Noncompliance with dress code.
- VI. Consuming food or beverage in hallway or classrooms.
- VII. Unsafe driving in the vicinity of the school.
- VIII. Parking violation or unregistered vehicle.
- IX. Gum chewing.

## 7-4 Major Infractions

The following offenses will result in immediate dismissal from Central Catholic **without** the possibility of an appeal:

- I. Physical assault.
- II. Possession of a weapon, explosives, or any other potentially dangerous instrument.

- II. Setting off the fire alarm.

After completing an appeal, the student will be required to complete a chemical assessment and follow any recommendations made.
- IV. Theft of school property or personal property.
- V. Harassment, intimidation, or bullying as outlined in section 7-6, *Harassment and Bullying*.
- VI. Written or verbal statements that threaten harm, danger, or violence towards another person or property. Suspension will be indefinite and will require the completion of a psychological evaluation and conference to consider the return to school. Dismissal may be recommended.

If reinstated, a student will be placed on probation and on a contract with specifications for continued attendance.

The following offenses will result either in immediate suspension from Central Catholic and/or discipline probation. The Dean of Students will determine the length of the suspension depending on the nature of the situation.

- I. Fighting.
- II. Abusive language.

In order to promote a safe environment and maintain the reputation of Central Catholic, the school reserves the right to address behavior and impose consequences for students' actions that occur off campus or outside of school. Actions that are contradictory to the school's mission and ISOs will be grounds for disciplinary action including dismissal from school.

Students who are suspended will not be allowed to attend classes until the Dean of Students has had a formal meeting with the student and parent(s) or guardian(s). Students who are dismissed or suspended are not allowed to be on campus or be at any school functions.

### 7-5 Substance Abuse Philosophy

Central Catholic High School is committed to creating a climate and culture in which all students are able to learn to the best of their abilities. Perceived and real threats to student safety, and harassment of any nature, heighten student stress and decrease student learning. Students and families who perceive that the use of alcohol, tobacco, and other drugs is acceptable and/or not harmful are at greater risk for using these substances. Learning is interrupted when the student is under the influence of alcohol and other drugs, or when alcohol or other drug residuals are in their system. Further, these behaviors are disruptive to the student's physical, emotional, social, and academic growth.

Any student who freely approaches a counselor, administrator, teacher, or coach for help regarding her or his alcohol, tobacco or other drug use will be assisted through the counseling department in a confidential and nondisciplinary manner.

Statistics prove that students who begin using alcohol, tobacco, and other drugs at an early age dramatically increase their chances of developing a chemical dependency problem. Denial of the issue or an unwillingness to address the situation is the biggest obstacle preventing successful resolution of the problem. If intercepted early, a long term problem may be avoided.

Central Catholic has two goals in addressing substance abuse: prevention and early intervention. We will work directly with students and parent(s) or guardian(s) to provide ongoing education about substance abuse. Our counselors will work with students and families in a confidential setting to provide needed assistance and resources.

## 7-6 Harassment and Bullying

Central Catholic High School is committed to providing an educational environment that is free of all forms of harassment, intimidation, and bullying including cyber bullying. As described in our ISOs, students are expected to be relational, open to others, and respect each other in accordance with the social and moral teachings of the Catholic Church. Disrespect or behavior that creates an unsafe learning environment will have disciplinary consequences.

Harassment is *unwanted* nonverbal, verbal, written, graphic, or physical behavior directed at an individual or group on the basis of race, color, or sex, or *unwelcome* behavior of a sexual nature.

What makes harassment illegal?

- I. The behavior is *unwanted* and/or *unwelcome*.
- II. The behavior causes harm or is severe in nature.
- III. The behavior is repeated, pervasive, or persistent.

Harassment may be based on but not limited to the federally protected class status of a person. "Protected class" means a group of persons distinguished, or perceived to be distinguished, by race, color, religion, sex, sexual orientation, national origin, marital status, familial status, source of income, or disability. (ORS 339.351-339.364)

Bullying is a form of youth violence; aggressive behavior that is intentional and involves an imbalance of power or strength. Although definitions of bullying can vary, most agree that bullying usually includes: attack or intimidation with the intention to cause fear, distress, or harm that is either:

- I. Physical (hitting or punching)
- II. Verbal (name calling, teasing)
- III. Psychological (rumors, social exclusion, relational aggression).

Harassment, intimidation, or bullying is defined as an act that:

- I. Substantially interferes with a students' educational benefits, opportunities or performance.
- II. Takes place on or off school property, or at school events.
- III. Has the effect of:
  - a. Physically harming a student or damaging a student's property.
  - b. Knowingly placing a student in reasonable fear of physical harm or damage to the student's property.
  - c. Creating a hostile educational environment, including interfering with the psychological well being of a student.

Examples of inappropriate student interactions would be:

- I. Bullying and harassment including physical, verbal, nonverbal, and/or relational.

- II. Intimidation including physical, verbal, nonverbal, and relational.
- III. Hazing including initiation rituals.
- IV. Sexual behaviors including using sexual language, inappropriate touching, and/or sexting.
- V. Cyber bullying including the use of any electronic device to harass, intimidate, and/or bully.

Cyber bullying is the use of technology to harass, humiliate, or threaten someone. Sexting is sending, receiving, or being in possession of sexually explicit or sexually suggestive images or video via a cell phone or computer.

Students found to be violation of the anti-harassment policy will be subject to disciplinary actions as specified in the *Behavior Policies* (section 7) of this handbook. Students who retaliate will be subject to further disciplinary actions.

#### **Procedure for Reporting Bullying or Harassment**

Students who are being bullied or harassed or have witnessed such an incident should report the incident immediately to a staff member (i.e. teacher, counselor, administrator, coach). The following procedure will be followed once a bullying or harassment incident is reported:

- I. Staff member will take a report from the student.
- II. Staff member will fill out a written report and submit it to the Dean of Students.
- III. Dean of Students will conduct an investigation and determine the course of action according to school policy.

Students who intentionally make a false accusation of harassment will be subject to disciplinary actions specified by the Dean of Students.

### **7-7 Academic Integrity Violation**

Central Catholic High School exists to provide an educational environment where Catholic values are taught and practiced. Every student is supported in developing their intellectual potential and in using their intellectual talents to the best of their ability. The personal development of each student is more important than achievement of academic success. Personal integrity is essential for building community and promoting social justice.

When a student signs his/her name to a paper or project, the student is pledging that it is his/her own work. Cheating in any form is a violation of personal integrity and damages community. Cheating is not tolerated at Central Catholic. Any student who cheats, copies homework, plagiarizes, violates testing procedures, or knowingly enables another student to cheat will receive a zero for the exam or work in question. Students using the camera function of their cellular phones during exams or quizzes will be subject to an integrity violation. A student who cheats on a semester exam or project will receive a zero for that exam.

#### **Consequences for Academic Integrity Violations**

**First offense:** The student will automatically receive a zero (0) on the particular assignment or test. The teacher will notify the parents. ## **7-8 Discipline Consequences**

### **Detention**

Students who are assigned to after school detention are to report to the detention room within ten (10) minutes of the end of the last class of the day.

The detention is to be served on the same day it is assigned. In case of undue hardship, it is up to the discretion of the Dean of Students to defer detention for one day.

If a student fails to show up for detention, the assigned time is doubled. The second time a student fails to appear, the time will be doubled again and a warning will be issued. On the third failure to appear for detention, suspension procedures may be initiated, and the student may be suspended from co-curricular activities.

Students who accumulate more than five (5) hours of detention will be required to have a parent(s) or guardian(s) conference with the possibility of probation. The remaining time will still need to be completed.

Students will not be allowed to take finals until all detention time is served.

Students may not participate in athletics or co-curricular activities until they have served at least 30 minutes of their assigned detention. This will apply every day until the assigned detention is completed.

### **Probation**

Students may be placed on probation for violating school rules and policies. First time probation generally lasts one full semester. Terms of probation vary by circumstances, but a standard probation usually includes the following:

- I. The student must make an appointment to see her or his counselor.

- I. Student will be removed from regular classes by the Dean of Students.
- II. If the student is suspended, her or his parent(s) or guardian(s) will be contacted before the student is released from school.
- III. The length of suspension will depend on the seriousness of the offense.

- V. Suspension will be considered an unapproved absence, but academic work may be completed without penalty during the period of suspension. In addition, students will serve detention for school time missed.
- VI. Suspension or probation does not appear on a student's transcript that is forwarded to employers, colleges, or universities.
- VII. Students who are readmitted after suspension will be placed on probation.
- VIII. If a student is suspended, it may affect their ability to receive a scholarship the following year.

### **Dismissal**

When a student is dismissed for committing an offense, the following sequence will occur:

- I. The Dean of Students will consult with the principal in all cases of dismissal.
- II. Notification of the incident is made to student's parent(s) or guardian(s) and counselor.
- III. Students who are dismissed for disciplinary reasons have the right to appeal this decision (unless otherwise stated) before the Disciplinary Appeal Board.

- VI. The dismissed student will not be allowed back on the Central Catholic campus for any reason.

- VIII. Permission for exceptions to any of the above may be granted upon written request to the Dean of Students.
- IX. The student may appeal for re-admission.

### **Appeal**

The Disciplinary Appeal Board is composed of the Dean of Students, three (3) faculty members, and another faculty member who is chosen by the student to guide them through the appeal process. The board will hear all requests for appeal when a student is dismissed, and render recommendations to the Principal.

- I. Students who are dismissed for disciplinary or academic reasons have the right to appeal this decision before the Disciplinary Appeal Board.
- II. The student, parent(s) or guardian(s), and a student selected advocate present their case for review to the Disciplinary Appeal Board.
- III. Following this meeting, each faculty member on the board votes independently on the status of the student.
- IV. The Dean of Students will review this meeting and the results of the vote with the principal, who will make the final decision in all cases of dismissal.
- V. The Dean of Students will inform the parent(s) or guardian(s), and student of the final decision.

## VIII. ATHLETIC AND ACTIVITIES POLICIES

---

The co-curricular programs of Central Catholic High School contribute to the education of the whole person. The co-curricular program is designed for, and contributes to, the mental, social, spiritual, and physical growth of our students. Participation in the co-curricular programs is a privilege. The behavior of students who participate must be exemplary.

### 8-1 Activities Program

Central Catholic offers students the opportunity to participate in a wide variety of co-curricular activities. The clubs, organizations, and events in the activities program are run under the auspices of the Director of Student Activities and, where applicable, under rules and guidelines established by the Mount Hood Conference and/or the Oregon School Activities Association (OSAA). In addition, individual advisors or groups may set specific standards or prerequisites for participation in a given activity. All students in a leadership role on campus including club officers and members of Student Council must sign the "*Activities Leadership Code of Conduct and Parent Approval Form*" at the start of each school year.

### 8-2 Athletic Program

Central Catholic is a member of the Oregon School Activities Association and fields girls' and boys' teams that participate at the 6A level in the Mount Hood Conference or its equivalent. The eligibility of student athletes is governed by rules of the state organization, the conference, and Central Catholic. Central Catholic sponsors the following programs: cross country (boys and girls), football, soccer (boys and girls), co-ed cheerleading, basketball (boys and girls), swimming (boys and girls), baseball, golf (boys and girls), tennis (boys and girls), lacrosse (boys and girls), and track and field (boys and girls) and volleyball.

Student athletes who wish to participate on a Central Catholic athletic team must complete all athletic clearance requirements including the Athletic Code of Conduct and Parent Approval Form prior to participating in practices or tryouts.

### 8-3 Insurance

All Central Catholic students are covered by insurance in case of injuries caused by accidents occurring on school premises during hours and on days when school's regular classes are in session, including one hour immediately after regular classes while continuously on the school premises. With the exception of tackle football, students are also covered while participating in or attending school sponsored and directly supervised activities including interscholastic athletic activities. High school tackle football is not covered, but additional coverage is available for a fee to families. Students are also covered while traveling directly and without interruption to or from home and school for regular attendance, or home and school to participate in school sponsored and directly supervised activities provided travel is arranged by and at the direction of the school, and while traveling in school vehicles at any time.

## 8-4 Activities and Athletic Code of Conduct

The privilege of participating in activities and athletics at Central Catholic carries with it certain responsibilities and conditions. As representatives of the school, students are expected to act as young Christian women and men at all times in all places. They must assume certain responsibilities, including citizenship, good sportsmanship, and the maintenance of an exemplary attitude and appearance that requires greater self discipline than is demanded of other students. Any conduct unbecoming a Central Catholic student, at any time, could render them liable to dismissal from activities and athletics. When a major school disciplinary action regarding a student occurs, all decisions for continued participation in athletics and activities will be made in collaboration with the Athletic Director or Director of Student Activities, Deans of Students, and principal.

## 8-5 Standards for Participation in Activities and Athletics

Students that wish to participate in activities and athletics will adhere to the following:

- I. Students will lose their privileges to both practice and participate in any co-curricular activity during any suspension from school.
- II. Students are expected to maintain satisfactory behavior in the classroom, on school campus, and at any school activity, home or away.
- III. Administrators will notify advisors if behavioral problems arise that are likely to affect eligibility.
- IV. Students must be in school by the start of the school day to participate in a co-curricular activity, practice, or contest that day.
- V. **Christian Service:** Student athletes are required to meet deadlines as outlined in the Christian Service section of the handbook.

### Additional standards for athletics:

- I. **Physical Examination:** All student athletes must have satisfactorily completed a physical examination, using the *OSAA School Sports Pre-Participation Examination* form prior to freshman and junior year. All Central Catholic students must have a current physical form on file in the athletic office prior to participation in practice or games
- II. **Athletic Fee:** All student athletes will be required to pay a \$75 athletic *participation* fee per OSAA sports season. This fee will be billed through the business office once a student has been placed on a sports roster. Fees are nonrefundable. (Lacrosse Fees are \$375)
- III. **Uniforms and Equipment:** All student athletes are responsible for all uniforms and equipment issued to them. Items not returned at the end of the season must be paid for and will be billed through the business office.
- IV. **Locker and Locker Room:** Lockers are issued to student athletes by head coaches. Central Catholic is not responsible for lost or stolen items. There is a \$10 padlock replacement fee for padlocks not returned at the time of the locker room clean out.
- V. **Commitment:** A student athlete who participates in a school sponsored sport makes a commitment to that team. It is expected that this is the primary athletic commitment during the season by that student athlete. The head coach will define the terms of that commitment for that school sponsored sport. The head coach will establish policy regarding the student athlete who desires to compete

in an outside, nonschool, association or club athletic team during the same season as the school sponsored sport. Student athletes dismissed from a team or who quit a team after the season begins cannot join any other sport that same season. Participation in a later season sport is subject to the permission of the Athletic Director and acceptance by the coach of the intended sport.

- VI. **OSAA Regulation Regarding Gifts: RULE 8-4-1:** "A student may not accept monetary compensation in recognition of athletic ability, participation and/or achievement during the Association year. A student may accept nonmonetary compensation or items of value solely in recognition of athletic ability, participation, and/or achievement if the total value of such nonmonetary compensation or items of value, including the actual value of any discounts, coupons, etc., does not exceed \$500 in any Association year." The OSAA association year begins with the official start of practice each fall and ends on May 26 the following spring. 'Nonmonetary compensation or items' does not include customary school awards such as letters, medals, ribbons, certificates, plaques, trophies, and other emblems.
- VII. **Ejections and Fines:** Any student athlete who receives an ejection from a contest is required to pay the fine assessed by the OSAA. Student athletes will be billed at the conclusion of the season through the business office.
- VIII. **Athletic Training:** Central Catholic employs a certified athletic trainer year-round to oversee safe sports participation by its student-athletes. An athletic trainer (AT) is a national certified and state licensed health care professional trained in providing injury prevention services, recognizing and evaluating sports injuries and medical conditions, providing emergency care, and in designing rehabilitation programs. Additional qualifications include providing re-conditioning guidance, determining participation restrictions and/or modifications, and making referrals to other medical practitioners. Student-athletes and their parents are to be told to report all injuries and illnesses to a coach and/or to the AT. If an athlete visits a physician for a sports injury, a written medical release must be provided to the Athletic Department and screened by the Athletic Trainer. Decisions regarding the readiness of the student-athlete to return to participation shall be determined by the cooperative efforts of the AT, the treating physician, the student-athlete and his or her parents, the coach, and the Athletic Director, as applicable.

The Athletic Training Room (TR) is staffed after school on most school days. This facility is equipped with basic sports medicine supplies, a taping table, two treatment tables, a small hot pack machine, a whirlpool, a mini freezer, and ice machine, and rehabilitation equipment. Sideline event coverage includes Home Varsity and sub-Varsity football games, soccer games, cross country/track meets, and lacrosse games.

## **8-6 OSAA/Academic Standards for Participation in Activities and Athletics**

In order to be eligible to participate in any co-curricular school sponsored activity, a student must have passed a minimum of five (5) classes the

previous semester, and be passing a minimum of five (5) classes during the current semester. The student participant is also required to make normal progress towards graduation as determined by the school administration.

The student-athlete and parent(s) or guardian(s) will be notified of the probation status and must follow all requirements outlined in the probation letter provided by the Assistant Principal of Academics. The Athletic Director will meet with the student-athlete to discuss the expectations of the probation. If the student-athlete does not meet the athletic academic standard at the 10-week, 16-week or end of semester, the student athlete will be removed from the team.

### **8-8 Central Catholic Academic Eligibility for Activities**

In order to be eligible to participate in activities such as Student Council, or as a club officer, a student must have earned a minimum 2.75 GPA during the previous semester and be passing a minimum of five (5) classes during the semester. The student is also required to make normal progress toward graduation as determined by the school administration. A student leader who is placed on academic probation is ineligible for one semester.

Any student who is a club officer or a member of Student Council and fails to meet the minimum 2.75 GPA will be placed on Student Activities Academic Probation. The student-athlete and parent(s) or guardian(s) will be notified of the probation status and must follow all requirements outlined in the probation letter provided by the Assistant Principal of Academics. If there is no improvement by the Semester Report Card or the six (6) and/or twelve (12) week Progress Report, the student may be suspended from their club or Student Council position for one semester. If at the end of the semester grading period, the student meets or exceeds a 2.75 GPA, they will be removed from Activities Academic Probation.

### **8-9 Central Catholic Athletic, Activities, and Activities Leadership Tobacco, Drug, and Alcohol Policy**

Any student involved in a competitive athletic program or ongoing activity is prohibited from knowingly possessing, using, transmitting, or being under the influence of alcohol, tobacco, or controlled substances of any kind during a school year.

While substance abuse will be discussed in an informative manner, violations will be subject to the school behavior code. All students involved in activities leadership and/or athletics will sign a Code of Conduct signifying their consent to follow the Tobacco, Drug, and Alcohol Policy prior to participation in athletics or activities. Once a pledge form is signed by a student, it will apply to all activities and athletics that they are involved in for that school year.

If a student is found by a school official to have possessed, used, or transmitted alcohol, tobacco, or controlled substances, the student will face the following consequences, in addition to normal school disciplinary procedures:

- I. **First violation:** A student will be suspended from participation in any athletic or activity program for a period of six (6) months of school. Student athletes who voluntarily complete an alcohol and drug assessment, agree to complete the components of any recommended treatment plan, and agree to voluntarily submit to random drug and/or alcohol testing for the remainder of the suspension period, may be reinstated to the team or group following a one calendar week suspension. Drug and/or alcohol testing will not extend beyond the original six (6) month athletics and activities suspension and will cease once the student is no longer a participant in any athletic or activity program.

If the violation occurs within the last three (3) weeks of the current season, the suspension will be completed in the subsequent season. Drug and/or alcohol testing will not extend beyond the original twelve (12) consecutive months athletics and activities suspension and will cease once the student is no longer a participant in any athletic or activity program.
- III. **Third Violation:** The student will be ineligible to participate in any athletic or activity program for the remainder of his/her high school attendance.

#### **Failure to Pass a Drug or Alcohol Test or to Follow the Treatment Program**

A student who fails to adhere to the conditions of their treatment plan or fails a drug or alcohol test will be immediately suspended from athletics and activities for twelve (12) months.

#### **Drug Testing Protocol**

The school will coordinate the services of a competent drug testing provider. Testing will be conducted in a manner that respects the sensitive nature of this procedure and ensures confidentiality, accuracy, and randomness. Parents are financially responsible for drug testing fees/charges. Testing will occur at reasonable intervals and will not be excessively repetitive. Failure to pass a drug test will result in sanctions limited to those prescribed by this policy.

### **Reporting and Investigation of Alleged Violations**

If the violation occurs at school or at a school event, the student will be referred to the appropriate school administrator for disciplinary action. The Athletic and/or Activity Director will be advised of the results of the administrator's investigation and actions and will enforce the consequences.

If the violation occurs during the school year but outside of the school day and not at a school event, the Athletic and/or Activities Director together with the appropriate school officials will investigate the incident to determine the facts. If a violation is substantiated, the Athletic and/or Activities Director will enforce consequences.

### **11-7 Tuition Assistance Grant Program**

Central Catholic High School provides an annual Tuition Assistance Grant Program for the purpose of providing financial assistance to families who otherwise might not be able to afford the cost of having their children enrolled at Central Catholic. Families must demonstrate the level of their financial need annually by completing the application process. It is the parent(s) or guardian(s)' responsibility to pay the balance not covered by tuition assistance and/or scholarships.

Income to support this critical program comes from four major sources: The Archdiocese of Portland, The Central Catholic High School Endowment Fund, The Archbishop Edward D. Howard Trust Fund, and donations from friends, alumni, and supporters.

Tuition Assistance Grant application process:

- I. Student completes the enrollment or application process and is accepted.
- II. Family obtains a Grant Application Form from the Central Catholic website or the business office in October.
- III. Family completes and submits Grant Application by the stated deadline.
- IV. Financial Aid Committee reviews financial data.
- V. School notifies families whether or not they qualify for a tuition assistance grant and the amount
- VI. Student and parent(s) or guardian(s) accept the grant with its responsibilities as indicated on the award letter by completing the online reenrollment form and fee by the stated deadline.
- VII. The following conditions apply to students' eligibility for tuition assistance:
  - a. Student must maintain a minimum 2.0 cumulative grade point average to remain eligible.
  - b. If at any time a student's tuition account ceases to be current, the tuition assistance grant may be forfeited.
  - c. Student must be in good standing with the school.

### **11-8 Scholarship Program**

Central Catholic families and friends have generously made restricted gifts to the school's Endowment Fund for the purpose of providing scholarships for worthy students currently enrolled. Various scholarships are offered yearly which have different requirements (i.e. financial, need, merit, activities, service, etc.) The application, which is available in December, details scholarship requirements. Students interested in applying for any of the available scholarships must pick up an application from the development

office or the Central Catholic website and return the completed application by the stated deadline. Late applications will not be accepted.

Award decisions are made based on essays written by the student, with additional consideration given to the following criteria: academic accomplishment, community involvement, citizenship, and financial need.

The following conditions apply to students' eligibility for Central Catholic scholarships:

- I. Student must attend Central Catholic High School during the current school year.
- II. Student must remain in good academic standing with a GPA of 3.0 or above.
- III. Student must remain in good disciplinary standing throughout the entire school year (suspensions, expulsions, incidents with drugs or alcohol are grounds for scholarship removal.) If student is suspended or expelled, the scholarship may be revoked.
- IV. Student must meet the Christian Service Requirement for their grade level.
- V. Selection for scholarships may include participation in co-curricular activities including the student fundraiser.
- VI. In order to be considered for any scholarships with financial need, a student must submit a tuition assistance application.

Families should note that the scholarship program and the tuition assistance program are separate. Students may apply for and receive awards under both programs. Students must complete the scholarship application annually and parents or guardians must complete the financial aid application annually.
