

SCHOOL PASS

January 2021

SchoolPass App for Students:

It is important for students to have the **SchoolPass App** on their device so they can help with our daily process for checking in on-campus by doing their wellness check prior to arriving. Once students arrive, they will have a temperature check upon entering the building.

***If you have had the SchoolPass app last year – make sure to UPDATE to the new version now (image is what is shown on this page, login per instructions below)!

Students are required to do the wellness check daily before coming to school for on-campus learning, co-curricular activities, and athletics. They use their student email as the username and click 'forgot password' to login for the first time this year, if you have not used the wellness check this year so far.

For Students to set up their SchoolPass App:

1. From your phone go to <https://cchs.school-pass.net>
2. Click on 'Get the SchoolPass Mobile App for Parents' (it is towards the bottom)
3. Download app 'SchoolPass Parents & Students'
4. Click 'Forgot your Password?'
5. Enter School email @cchrrams.com
6. Login instructions will be sent to your School email

PARENTS:

There is a **SchoolPass account** for the parent and a separate one for the student – same app, different logins!

Parents will have to contact attendance@centralcatholichigh.org to get a new password reset first, *if they have never logged on before*. If they have, they can use the "forgot password" to reset their account if they forgot their login.

Parents can use the app or a desktop to log into their account. Parents can take a Wellness check for their student, submit an absence/tardy request, and update any other parent drivers.

QUESTIONS???? Contact attendance@centralcatholichigh.org for clarification.
