SUMMER SESSION

Central Catholic High School is pleased to offer a selection of courses for academic credit and enrichment this summer. While classes are available primarily for grades 9-12, some enrichment courses are also available for 7th and 8th grade students. See the attached course catalog for detailed descriptions of each course. Please direct questions and requests for financial assistance to summersession@centralcatholichigh.org and we will be in touch with you directly.

GUIDELINES

- Central Catholic High School's summer office hours are Monday – Thursday, 7:30am – 3:00pm.
- Class sizes are limited. Registration will be accepted in order of date received and must be completed online. Minimum enrollment is required for classes to run. All canceled classes will be refunded in their entirety.
- When possible, we will do our best to stick closely to the original class schedule. However, due to teacher availability, exact class times are subject to change.
- In observance of Independence Day, there will be no classes on Monday or Tuesday, July 3rd and 4th. In an effort not to extend the summer semester, classes will run online and asynchronously the rest of that week.
- Scholarships are available! Students may request financial assistance by emailing summersession@centralcatholichigh.org. Scholarships are based on need and are subject to availability. Assistance up to 50% of the overall tuition for two courses may be awarded.
- Attendance: Due to the condensed nature of the Summer Session, students must attend all class meetings. Please see specific attendance requirements for academic courses in the course descriptions that follow. Extenuating circumstances must be coordinated with instructors.
- The PE and Wellness lotteries will close on May 19th. Families will be notified of admittance by May 22nd. Those not admitted to the course(s) will be awarded a full refund for the tuition paid.

CLASSES, TRANSCRIPTS, AND CREDIT

- Central Catholic High School students taking credit retrieval or advancement summer courses will receive an official grade on their transcript. However, that grade will not be included in the student's cumulative GPA.
- Central Catholic High School cannot guarantee that Summer Session credit will be accepted by all other public and private high schools. Students are responsible for checking with their school counselor or administrator to determine if Summer Session credits are acceptable. It is the responsibility of students to notify their school of the courses taken and the credit earned.
- Any course needed by a Central Catholic student for credit recovery that is not offered through the Summer Session should be discussed with the student's counselor or the Assistant Principal of Curriculum Design and Instruction as soon as possible.

WITHDRAWAL & REFUND POLICY

Week of May 22nd - \$25.00 penalty

Week of May 29th - \$50.00 penalty

Week of June 5th - \$75.00 penalty

On or after June 12th - No Refund

COURSE CATALOG

SUMMER SCHOLARS (Incoming Freshmen ONLY) * *

Central Catholic High School offers the Summer Scholars program for incoming Central Catholic freshmen. The set of two classes gives students the opportunity to get a head start academically and socially as they transition to high school.

Monday - Thursday | July 31 - August 17 | 8:00 - 11:50 a.m.
Tuition for Full Program (2 Courses): \$300

INTERMEDIATE MATH

A course designed for incoming freshmen who will benefit from solidifying their middle school math skills in order to prepare for high school algebra and beyond. Math study skills will also be a focus. Students will learn and practice effective study techniques.

Monday - Thursday | July 31 - August 17 | 8:00 - 9:20 a.m.
Tuition for Single Course: \$175

INTERMEDIATE LANGUAGE ARTS

A course for incoming freshmen who want to sharpen their reading and writing skills in order to be better prepared for high school English courses. English/Language Arts study skills will also be a focus. Students will learn and practice effective study techniques.

Monday - Thursday | July 31 - August 17 | 9:30 - 10:50 a.m.
Tuition for Single Course: \$175

Note: Students who are participating in the Summer Scholars Program are also welcome to enroll in one or more of our other Enrichment Courses!

COURSE CATALOG

Geometry.

Designed for students who wish to take a full year of Geometry over the summer, this course will focus on measurement, properties of circles and polygons, the concepts of congruence and similarity, and an introduction to trigonometric ratios. This course provides the students with the opportunity to advance to Algebra II for the next school year. Students are required to complete three years of on-site mathematics to meet graduation requirements.

Monday - Thursday

Semester One June 20 - July 13* | Semester Two July 17 - August 3

Noon - 4:00 p.m.

Credit Retrieval: 1.0 (0.5 per semester)** | Grade Level: 9-10

Tuition: \$400 per semester or \$750 for both semesters

Geometry Attendance Policy: Students are not permitted to miss any more than one session per semester and still receive credit for the course.

* Note: In observance of Independence Day, Geometry class will not meet July 3-5. Asynchronous (online) assignments will be required July 6, and in-person classes will resume Monday, July 10.

** Note: Central Catholic students in need of Geometry credit retrieval should be in contact with their counselor prior to signing up for this course.

Introduction to Computer Science

This semester course fulfills the technology graduation requirement beginning with the class of 2020. The course focuses on problem-solving techniques, programming methodologies, software design processes, features of Java programming language, simple data structures, algorithms, and responsible use of computer systems. Students will be able to interpret existing programs, their design, and their development. This course will meet in-person once a week and will include a lunch break. Lunch is not available for purchase on campus.

Tuesdays (In-Person) & Thursdays (Synchronous Online)

June 20 - July 27* | 8:00 - Noon

Credit Retrieval or Advancement: 0.5

Grade Level: 9-12 | Tuition: \$400

* Note: In observance of Independence Day, class will not meet Tuesday July 4. Class will take place asynchronously on Thursday, July 6.

COURSE CATALOG

Physical Education Semester 1

This popular course will be filled using a lottery system. It is designed for students who wish to take a semester of PE over the summer. Each student will be provided with an introduction to a variety of activities emphasizing physical fitness, team and individual (lifetime) sports, and recreation. Fundamentals of healthy practices, safety concerns, game rules, skill development, and basic strategies are emphasized in each activity. A full refund will be issued for students who sign-up for the course but are not chosen in the lottery process.

Tuesday, Wednesday & Thursday | June 20 - July 13* | 9:00 a.m. - 11:30 a.m.

Credit Retrieval or Advancement: 0.5

Grade Level: 9-12

Tuition: \$400 per semester or \$750 for both semesters

*Note: In observance of Independence Day, PE class will not meet Tuesday, July 4 or Wednesday, July 5. Class will take place asynchronously online on Thursday, July 6 and resume in-person Tuesday, July 11.

Physical Education Semester 2

This popular course will be filled using a lottery system. It is designed for students who wish to take a semester of PE over the summer. Each student will be provided with an introduction to a variety of activities emphasizing physical fitness, team and individual (lifetime) sports, and recreation. Fundamentals of healthy practices, safety concerns, game rules, skill development, and basic strategies are emphasized in each activity. A full refund will be issued for students who sign-up for the course but are not chosen in the lottery process.

Tuesday, Wednesday & Thursday | July 18 - August 3* | 9:00 a.m. - 11:30 a.m.

Credit Retrieval or Advancement: 0.5

Grade Level: 9-12

Tuition: \$400 per semester or \$750 for both semesters

*Note: PE classes the week of July 24 (7/25, 7/26 & 7/27) will take place asynchronously online.

COURSE CATALOG

Wellness I

This popular course will be filled using a lottery system and is designed for students who wish to take a semester of Wellness over the summer. The content of this course will be drawn from a broad range of topics emphasizing physical, emotional, and mental health. Emphasis will be placed on a wellness approach rooted in Christian values and the following issues may be discussed: body systems, fitness, sexuality, stress management, communicable and non-communicable diseases, mental and emotional health, family and social health, relationships, substance abuse, and decision-making. A full refund will be issued for students who sign-up for the course but are not chosen in the lottery process. This class is primarily designed to serve freshmen.

Monday - Thursday

Semester One June 20 - July 13* | Semester Two July 17 - August 3

9:00 a.m. - Noon

Credit Retrieval: 1.0 (0.5 per semester)

Grade Level: 9-10

Tuition: \$400 per semester or \$750 for both semesters

*Note: In observance of Independence Day, Wellness class will not meet July 3-5. Class will take place asynchronously online on Thursday, July 6 and resume in-person on Monday, July 10.

COURSE CATALOG

Recovery/Advancement Spanish I/II

Students learn to negotiate the following social situations: greeting and meeting others, telling time, asking directions, responding to basic questions, requesting food in a restaurant, and giving basic instructions. In addition, students develop listening, reading, and writing competence. A variety of resources are used to introduce students to the geography of Spanish speaking countries and the cultures of Spanish speaking communities. The course develops students' speaking, listening, reading, and writing competence in primarily memorized phrases in highly predictable situations. Students practice following instructions and activities in Spanish. Much of this course is conducted in Spanish.

Semester 1 | Monday - Thursday | June 20 - July 13* | 9:30 - 11:30 a.m.

Semester 2 | Monday - Thursday | June 20 - July 13* | 12:30 - 2:30 p.m.

Credit Retrieval or Advancement: 0.5 per semester

Grade Level: 10-12

Tuition: \$400 per semester or \$750 for both semesters

Spanish Attendance Policy: Students are not permitted to miss any more than two class sessions and still receive credit for the course.

Recovery English I - III

The Central Catholic High School English curriculum is rooted in the study of literature and composition. Its objectives are to cultivate critical thinking, improve written and oral expression, and develop students' creative, moral, spiritual, and intellectual potential. Dependent upon the size of the class, English will be taught as a I - III blended recovery course. Course material will be catered to students in the class.

Monday - Thursday

Semester One June 20 - July 13* | Semester Two July 17 - August 3

Noon - 3:30 p.m.

Credit Retrieval: 1.0 (0.5 per semester)

Grade Level: 9-11

Tuition: \$400 per semester or \$750 for both semesters

*Note: In observance of Independence Day, Spanish and English classes will not meet July 3-4. Classes will take place asynchronously July 5-6 and will resume in-person Monday, July 10.

ENRICHMENT COURSES

College Application Workshop

All rising seniors who are planning to apply to a four-year college or university are encouraged to attend at least one of these four sessions. We will take an in-depth look at the Common Application that students may use to apply to any of more than 1,000 member colleges and universities in all 50 states and beyond. Visit commonapp.org/explore-colleges for a complete list of participating institutions. Upon completion of this class, students will have finished the main parts of Common Application and will be preparing to request letters of recommendation.

Session 1: June 20 & 21 | 9:00 a.m. - 11:00 a.m.

Session 2: June 20 & 21 | 12:30 p.m. - 2:30 p.m.

Session 3: August 17 & 18 | 9:00 a.m. - 11:00 a.m.

Session 4: August 17 & 18 | 12:30 p.m. - 2:30 p.m.

Credit Retrieval or Advancement: None | Grade Level: 12 | Tuition: FREE

ENRICHMENT COURSES

Drawing from Scratch

Have you ever watched an artist draw or sketch and it looks effortless for them, but not to you? Have you ever wondered about the drawing process and the technical skills required to produce a convincing drawing utilizing a blank piece of paper and a series of graphite marks? Do you want to impress your family and friends with your artistic and creative abilities? If you've answered YES to any part of these questions, then we invite you to join us for an Intensive Summer Drawing Session – Drawing from Scratch 2022. During this week-long course, you will begin to develop the skills and understanding of traditional drawing materials, and how to use them successfully to create a still-life drawing directly from observation. We will start our week by becoming familiar with the way different drawing pencils and techniques affect the work and how to effectively use these art tools, to developing an understanding of value contrast (shading), proportion and perspective while exploring different subjects to draw such as self-portraits and interesting things outdoors. By the end of the week, you will be completing a fully-developed drawing that you'll want to hang on your wall. This Drawing from Scratch 2022 course will teach you the ins and outs of the drawing process in a relaxed and fun-filled studio environment. It's a great way to start your Summer! This course is taught by Bryan Lafaye. Email blafaye@centralcatholichigh.org with questions!

Tuesday - Friday | June 20 - 23 | Noon - 2:30 p.m.

Grade Level: 7-12 | Tuition: \$150

ENRICHMENT COURSES

STEM Research Camp - High School

Do you ever wonder why bridges are built the way they are? Do you ever wonder how we can build devices here on Earth that can be sent to Mars or the Moon to analyze data? Have you thought about engaging in research to answer your own science-related questions? Then STEM Camp is for you! On Monday and Friday of Camp, high school students will work through the research process and decide what area of science they are interested in researching. As a student, you will learn about preparing a project for the Northwest Science Expo Fair including how to analyze your data using statistical methods. From Tuesday through Thursday, you will guide small groups of middle school students through engineering-based projects as the groups prepare to compete. During these sessions, you will learn more about how to design and problem-solve as a leader!

Monday - Friday | July 10-14 | 9:00 a.m. - 2:30
Grade Level: 9-12 | Tuition: \$150

STEM Research Camp - Middle School

Do you ever wonder why bridges are built the way they are? Do you ever wonder how we can build devices here on Earth that can be sent to Mars or the Moon to analyze data? Then STEM Camp is for you! Over the course of three days, you will work with a team of student engineers to create, design, and build in order to answer questions and solve problems. High school mentors will guide you through the processes as we practice and then perfect designs to prepare for some fun team-building competitions!

Tuesday - Thursday | July 11-13 | 9:00 a.m. - 2:30
Grade Level: 6-8 | Tuition: \$100

ENRICHMENT COURSES

First Aid - CPR/AED Certification Course

The First Aid - CPR/AED course incorporates the latest science and teaches students to recognize and care for a variety of first aid emergencies such as burns, cuts, scrapes, sudden illnesses, head, neck, back injuries, heat and cold emergencies and how to respond to breathing and cardiac emergencies. Successful students will receive a certificate for Adult First Aid/CPR/AED valid for two years. This one-day course is excellent for those interested in working as a Lifeguard, a Babysitter, a Camp Counselor, and countless other fields!

Red Cross courses now offer Digital Certification, an online version of a Red Cross certificate, which provides anytime, anywhere access to student training history and course certificates. Digital certificates can be viewed, printed or shared online and can be accessed anytime through your Red Cross Account. Each certificate includes a unique ID and a QR code which meets employment requirements and allows employers to easily confirm your certificate is valid. There is no need to carry your printed certificate around anymore!

Monday, June 26 | 8:00 a.m. - 12:30 p.m.

Grade Level: 8-12 | Open to Faculty & Staff | Tuition: \$150
