Dear Parents and Guardians,

Our annual Students4Students (S4S) Fundraiser is here! S4S is a school-wide endeavor in which **ALL** students are asked to participate. The school goal for this year is to raise **\$175,000** for our tuition assistance program by November 12, 2021. In addition to our tuition assistance program, proceeds from S4S help fund many of the diverse and inclusive extracurricular activities at Central Catholic. Therefore, **EVERY** student is positively impacted by the S4S fundraiser.

The goal of S4S, in addition to raising money, is to help our students think critically about the importance of generosity, philanthropy, and why giving back matters. We will be focusing each week on the who, what, when, where, why, and how of Students4Students.

While learning and fundraising are important we want our students to have a bit of fun as well! Our theme this year is Rammy-Roo and the Lost S4S Money!

The expectation for Students4Students is that every student participates and works toward raising a minimum of \$150 each. If your student is having trouble raising \$150, please have them sign up for a help session to receive fundraising assistance.

If you have privacy concerns regarding your student's name being published on the online campaign please email [Alaina Hill](#).
