

PRAYER

Students, faculty and staff, please stand for our prayer. Let us remember we are in the holy presence of God. **(pause!—wait for the students to stand in their classrooms—then continue with the prayer below).** Let us begin **In the Name of the Father, the Son and the Holy Spirit.** We remember the day terror rained down and we were engulfed in fear and in grief. Our grief remains and we form our hands in prayer to say grant peace, O Lord, to the souls of all those who perished on that day. Grant comfort to the families who lost loved ones, grant healing to those who carry scars of the heart as well as the body, from that day eighteen years ago. Lord, have mercy on us and all your children, and grant us the grace to know the true security you promise, the security that comes with the actualization of peace and justice for every nation and all peoples. May the memory of those who died, and the recognition of all who still bear the scars of that day, bless us. May their memories inspire us in our efforts to face the complexities of this world so we can say peace be with you and with us also. Amen. **In the Name of the Father, the Son and the Holy Spirit, Amen.**
