

SCHOOL PASS APP FOR REPORTING ATTENDANCE

Central Catholic High School uses **SchoolPass** to communicate attendance between parents and the school. Parents will need to download the SchoolPass App in order to communicate an approved absence, prearrange an absence, pick a student up early from school, share a doctor's note, or approve a tardy. If you already have the SchoolPass App downloaded from the last school year, you must update the app.

SchoolPass Parent & Student

New App for parents & students

Download & Log In to SchoolPass Parent Student App

1. Install or update to the latest version of the SchoolPass Parent App
 1. [Download/Update from Apple Store](#)
 2. [Download/Update from Android & Google Play Store](#)
2. After August 9th, you will receive an email with your temporary password to enter along with the parent email address. If you do not receive a temporary password, or have forgotten your password, click "Forgot Your Password?" on the home screen to be sent a temporary password to your parent email.
3. Parents are responsible for tracking their student's attendance and should not share their login information with their student.

If you experience any issues with the login process please contact attendance@centralcatholichigh.org
4. Once you are logged into your parent account please see instructions on [How to Add or Remove Arrival & Dismissal Changes her](#)
